Dear Mr. George:

In response to your request, you are hereby granted extensions to complete construction and to file *Construction Notices* on the above-referenced water rights for the reasons below:

- Wells have been drilled and test pumped, but not yet equipped with permanent pumps.
- Growth has not occurred at the rate forecast and the additional capacity of these wells is not yet needed.

The new deadline to complete construction on these projects and send completed *Construction Notices* for these water rights to Ecology is **January 1, 2017**.
